

LA Governor's Office of Homeland Security and Emergency Preparedness NIMS ICS All-Hazards Planning Section Chief Course (L0962)

Course Description: This course provides local- and state-level emergency responders with a robust understanding of the duties, responsibilities, and capabilities of an effective Planning Section Chief on an All-Hazards Incident Management Team (AHIMT). These responsibilities fall into two categories: 1) managing the planning cycle, and 2) tracking resources and incident status. Exercises, simulations, discussions, and a final exam enable participants to process and apply their new knowledge.

Course Objective: Provide local- and state-level emergency responders with an understanding of the duties, responsibilities, and capabilities of an effective Planning Section Chief on an All-Hazards Incident Management Team.

Required Training Prerequisites: ICS 100, ICS 200, IS 700.A, IS 800.B and ICS 300, ICS 400

Note: It is NOT necessary for an individual to be a member of an AHIMT in order to enroll in the upcoming AHIMT courses, nor is it necessary for an agency to sponsor an AHIMT in order for their employees to attend the courses. If you or members of your agency are interested in attending these courses please do so. In addition, if an agency or group wants to create an AHIMT it is NOT necessary for those individuals to seek credentialing under the LA AHIMT program. Individuals can take the necessary training (and agencies can form AHIMTs) purely as an effort to improve their incident management capabilities and understanding of NIMS/ICS, without any intention of seeking credentialing.

Dates and Times: June 5-8, 2017 – 8:00am-5:00pm

Location: LA State Police Headquarter Classroom B
7919 Independence Blvd, Baton Rouge, LA 70806
